

FINANCIAL PAYMENT POLICY

Resilient Communities Center

January 1, 2024

The purpose of this policy is to ensure access to and equity in the programs, cohorts and mentoring that the Resilient Communities Center makes available both in-person and online.

In addition to the sliding fee scale, vouchers are available to draw on one’s personal network of relationships and to invite the community to partner toward one’s formation. Assistance in how to develop and implement such an approach are available upon request.

Please note that the below sliding fee scale is based on requests by participants self-paying. Participants who are enrolling through the recommendation by or as part of a professional-development plan with nonprofit and for-profit entities are subject to the full fee listed for the respective program.
